ABOVE WATER

MAY 5-8, 2019 | ST. AUGUSTINE, FLORIDA

75TH ANNIVERSARY SEASON – NORTH ATLANTIC HURRICANE OF 1944

An International, Multi-disciplinary Conference
Providing Strategies and Techniques to Save
Cultural and Natural Resources
Impacted by Sea Level Rise

KEEPING HISTORY ABOVE WATER™ IS NEWPORT RESTORATION FOUNDATION'S CLIMATE CHANGE INITIATIVE

Join us in historic St. Augustine for a program addressing sea level rise with theoretical and practical information geared to city planners, preservationists, architects, engineers, floodplain managers, legislators, insurers, property owners, and other decision makers. Experts from the United States and globally will provide strategies for immediate and actionable treatments that can assist communities in protecting historic buildings, landscapes, and neighborhoods from the increasing threat of inundation.
